Assistant Commissioner for Patents
Washington, D.C. 20231REFILING OF RESPONSE TO OFFICE ACTION

Dear Sir:

This communication is a refile of the response to the Office Action of May 26, 2004, originally filed on August 23, 2004. A voice message from Examiner Bataille indicated that the USPTO did not receive the original filing of the response. In this refile, Applicant includes the original filing of the response, as well as the fax-transmission receipt received from Applicant's fax service, and the fax-back receipt received from the USPTO showing that the original filing of the response was indeed made on August 23, 2004. The original transmittal further includes a certificate of facsimile signed by Applicant's representative.

Applicant requests that this response be considered timely filed on August 23, 2004, due at least to the fax-back receipt from the USPTO showing the original filing date of August 23, 2004. Furthermore, since significant time has passed since the original filing, Applicant requests that consideration of this response by the Examiner be expedited insofar as possible.

Respectfully Submitted,

April 14, 2005
